Trenton Computer Festival

MARCH 15, 2014

Microsoft & R&D Internet Associates

- **We would like to thank Microsoft Community Connections & Microsoft Bridgewater NJ Store in helping to make our affiliation with the Trenton Computer Festival a great success.**
- **We would also like to thank Ernst Meinhart, Tele-Business Development Manager-Microsoft Community Connections, for all his hard work in helping R&D Internet Associates to achieve their goal working at the Trenton Computer Festival.**
- **We would also like to thank Phil Tavener, Business Solutions Specialist at the Microsoft Store in Bridgewater NJ, for all his hard work in helping us make this event a great success.**

Thanks go the Following Companies:

- **Microsoft Community Connections for donating Windows 8 Pro Upgrade and Office Pro 2013.**
- **Malwarebytes.org for donating licenses for copies of Malwarebytes Pro and providing free give-aways.**
- **Superantispyware.com for donating licenses for copies of Superantispyware Pro.**
- **StartIsBack for donating licenses for copies of StartIsBack software.**
- **Stardock for donating licenses for copies of Start8**
- **Secondcopy Backup for donating licenses for copies of Secondcopy Backup Program.**

R&D Internet Associates appreciates all that these companies do to help small businesses grow.
